

## LIBERTY NEWS TV, VOL. 31, AUGUST 2007

**PROGRESSIVES UNITE?** The Backbone Campaign has a big idea: Bring progressives together under one tent--a big tent of social justice, gender equality issues, racial issues, indigenous rights etc. Can it work? Can these narrowly focused activists learn to trust each other? Find out, in this exclusive documentary of the first ever Progressive Cabinet Summit this summer. You'll see how even strong willed people can work together.
