

## LIBERTY NEWS TV, VOL. 33, WINTER 2007-2008

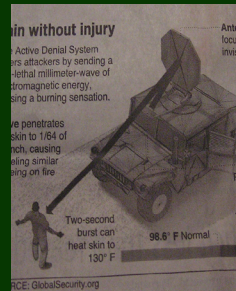

The Pentagon, with the eager help of the media, wants to sell you their new, "completely harmless" active denial torture device. In this month's show, you'll be outraged. You'll laugh. You'll cry. Sigmund Freud explains the origins of the Republican brain. We'll rant about our oil-sucking, overconsuming, flag-waving citizenry. And you'll meet the Humble Farmer, the most unlikely, unapologetic political rebel ever to be censored by public broadcasting.

**The Humble Farmer**
