

LIBERTY NEWS TV, VOL. 29, JUNE 2007

POLITICAL SATIRE AT ITS BEST. This month's special show features three political satire pieces, including one based on Noam Chomsky's work, comparing pirates and emperors. The main feature is a 20-minute film titled "The Nine" written and produced by the Liberty News TV staff. Watching it now, you may find it surprising how relevant many of the political currents remain. Fact is more diabolical than fiction--where the Bush cabal is involved!

THE NINE
