

LIBERTY NEWS TV, VOL. 32, OCTOBER 2007

WE'VE CHANGED! Our new format is edgier, more entertaining, yet still packed with original educational and satirical material. From an original science fiction documentary about the 2008 election, set 30 years in the future--to Rudy Giuliani's fascist campaign ads, to the "Big Dick" Cheney action figure, this is programming like you've never seen on mainstream TV.
