

LIBERTY NEWS TV, VOL. 40, OCTOBER 2009

In this, our closing episode, we show how President Obama has simply picked up the bloody gauntlet of corporatism and U.S. empire left by his predecessor. What's on the agenda? Expanding U.S. militarism, support for robotic killer drones, and violence toward any who protest global capitalism. Still, says Daniel Noel, resistance is not futile. There's beauty in the world that's worth fighting for.
